Hi Amber,

The last four of ssn are at the bottom of the email thread, see below, you can use this to verify if it is the correct person:

Thanks,

Hi Matt 😊

This employee didn't list his last 4 of his social. So I looked him up and found a person with the same name and active with ESI except for the addresses aren't the same and one person is in Corona Ca and the other is in Stockton CA, I wouldn't think they were the same person because of the location. Corona is Southern CA and Stockton is Northern. I haven't changed anything yet.
