Direct Deposit/Automatic Payments Set-up Guide

Information to help you arrange automatic deposits or payments to/from third parties

How to take advantage of the fastest, and most convenient and secure way to manage receiving regular deposits to, or making regular payments from your account.

Key Benefits of Direct Deposit:

Direct Deposit is a free service that automatically deposits qualifying recurring income* into any Wells Fargo checking, savings, or prepaid card account you choose.

- Convenient – Your money is deposited into your account, even when you are ill, on vacation or too busy to get to the bank.
- Fast – You have immediate access to your money on the day of deposit
- Safe – You never have to worry about checks getting lost, delayed or stolen.
- Opportunity for automatic saving – You can watch your savings grow by directing at least part of your pay to a savings account

* Income you receive from your employer, Social Security, pension and retirement plans, the Armed Forces, VA Benefits, and annuity or dividend payments may all qualify for Direct Deposit.

Key Benefits of automatic payments:

Never worry about missing a payment or possible late fees or other consequences. You will need to have the required available funds in your account at the time of the payment. Note that you can also make recurring payments through Wells Fargo Online with Bill Pay.

Step 1. Gather and Review Account Information

Key information about you and your Wells Fargo account that will allow transactions with third parties to occur:
